

### How to reach us:

*From the A4 motorway exit at Cessalto, turn left and follow the directions for Ceggia at the roundabout. Once you reach Ceggia, follow the directions to Eraclea/Jesolo and as you drive across the main road called "Triestina", follow the route along the canale "Piavon". Once you pass the former missile sighting field, go round the big bend, pass the bridge over the canale "Pace", go straight (S.P. 58) to the junction with Torre di Mosto - Staffolo - Stretti di Eraclea (S.P. 54) and turn right (Eraclea direction). Drive past a red house and then a very long house, both on your right, to then find a red house on your left and a light coloured house on your right, at which point you must turn towards the latter to reach "MarZanino"*
